MY FATHER DIED THIS MORNING (PAPERBACK)

Golf Machine Limited, United States, 2011. Paperback. Book Condition: New. 251 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a story of the sacred relationship between a father and his son-and the will to live. In this very moving true account, Tyrus Anthony Wong shares the intense, extraordinary, and most private and intimate moments of his father s twenty-three life-saving surgeries and medical procedures through eighteen years from 1990 to 2008. Through sixteen documented diseases, fourteen daily prescription medications, life-threatening diabetes and congestive heart failure, Ty s father James Anthony Wong embraced his life every second and with an infectious smile. This is the inspiring collective journey of a classic family: a loving wife of forty-one years, a son who is his father s best friend and co-confidant, and the amazing man who keeps fighting. Crisis after crisis, they lean upon each other, with resilience and joyful hearts. Their spirits are made stronger through their love of one another-reaching far beyond the bonds of this world. Life. It all starts with your parents, and it never ends! As heart-wrenching as it was to write this, it had to be done, and in this manner. I hope over time, it is embraced for helping people to come closer together. - Tyrus Anthony Wong; #1 son and author.
