KICKING AROUND CODSALL: IN DESCRIPTION AND POETIC VERSE (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.My descriptive poetic writing from our time as a family living in Codsall, Staffordshire, north west of Wolverhampton since 1986. There has been endless dog walks and training runs for me over the fields and down lanes that surround what we call the village. I soon felt part of the community of Codsall due to actively taking part in the games of football on the village hall playing field. Having being a writer of poems and odes for over a quarter of a century, it was time to see if I had enough work to produce a book with a Codsall theme. People, places, sunrises and life events are a few reasons as to why my verses are created.
