Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.U.S.-Thailand relations are of interest to Congress because of Thailand's status as a long-time military ally and a significant trade and economic partner. However, ties have been complicated by deep political and economic instability in the wake of the September 2006 coup that displaced Prime Minister Thaksin Shinawatra. After December 2007 parliamentary elections returned many of Thaksin's supporters to power, the U.S. government lifted the restrictions on aid imposed after the coup and worked to restore bilateral ties. Meanwhile, street demonstrations rocked Bangkok and two prime ministers were forced to step down because of court decisions. A new coalition headed by Prime Minister Abhisit Vejjajiva assumed power in December 2008. Bangkok temporarily stabilized, but again erupted into open conflict between the security forces and anti-government protestors in March 2010. By May, the conflict escalated into the worst violence in Bangkok in decades. With the capital gripped by uncertainty, many questions remain on how U.S. relations will fare as Bangkok seeks some degree of stability. Despite differences on Burma policy and human rights issues, shared economic and security interests have long provided the basis for U.S.-Thai cooperation. Thailand contributed troops and support for U.S. military operations in both Afghanistan and Iraq .
