THE PARTNERSHIP: FIVE COLD WARRIORS AND THEIR QUEST TO BAN THE BOMB

[DOWNLOAD](#)

Harper. 1 Cloth(s), 2006. hard. Book Condition: New. Offering a clear analysis of the present danger of nuclear terrorism and how it can be prevented, Philip Taubman a former New York Times bureau chief for both Washington and Moscow sheds light on one of the most divisive security issues facing the nation today. We are far more vulnerable than we realize, warns Taubman, and with this knowledge, five men who were members of the Cold War brain trust behind the U.S. nuclear arsenal—Henry Kissinger, George Shultz, Sam Nunn, William Perry, and physicist Sidney Drell—are now working to dismantle the nuclear kingdom they worked to build. "A fascinating, haunting book. Even for skeptics, Taubman's book provides an important public service by concentrating on nuclear perils that continue to slip our day-to-day notice." *NYTBR* "This brilliant, penetrating study of nuclear threats is in the tradition of David Halberstam and Neil Sheehan. Taubman has, perhaps as importantly, unlocked the history of the war we never had. Readers will tremble at the dangers the world has faced and still faces today." Bob Woodward 211.
