Reviews

A must buy book if you need to adding benefit. I am quite late in start reading this one, but better then never. You may like just how the article writer compose this ebook.

(Prof. Elliott Dickinson)

THE ART OF DEATH MIDWIFERY AN INTRODUCTION AND BEGINNERS GUIDE

Paperback. Book Condition: New. Paperback. 272 pages. Winner of the 2009 USA Best Books Award and the 2010 International Book Awards, *The Art of Death Midwifery: An Introduction and Beginners Guide*, by ordained interfaith minister Joellyn St. Pierre, is a compelling and comprehensive manual for family, clergy, hospice volunteers, or medical staff engaged in the field of death and dying. In this poetic and powerful book, the author reminds us that society has thrown a veil of mystery over the process of death, thereby depriving the dying from the dignified and fearless departure they so deserve. Based on the tenet that death is neither the enemy nor a finite state, St. Pierre gives all helpmates the necessary tools to become a death midwife. That is, someone capable of acting as a spiritual guide as the dying transition from this life into what awaits them after death. Unlike many books on death and dying, this guide is leading-edge, based on the authors long experience both in lay and clergy. It is a sensitive and lyrical reminder that the dying deserve to feel empowered as they leave this life. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
