The History of New England from 1630 to 1649 Volume I (Paperback)

By John Winthrop

Windham Press, United States, 2013. Paperback. Book Condition: New. 244 x 170 mm. Language: English . Brand New Book ***** Print on Demand *****.The History of New England from 1630 to 1649 By John Winthrop Volume I Preface Early in the spring of 1816 was discovered, in the tower of the Old South church in Boston, the third volume of the History of New England, in the original of the Massachusetts Bay. When the precious book was presented to the Massachusetts Historical Society, at their next meeting, 25 April, the difficulty of transcribing it for the press seemed to appall several of the most competent members, whose engagement in more important duties afforded also a sufficient excuse for leaving such labour to be undertaken by any one, at any time, who could devote to it many weeks of leisure. The task appeared inviting to me. On the same evening the MS was taken, and the study of its chirography was begun, the next day, by the aid of one of the former MSS collated with the printed volume, usually called Winthrop's Journal. Of all the three MSS and of the published Journal, a sufficient account may be seen in...

Reviews

This pdf is very gripping and fascinating. We have read and that i am certain that i am going to going to read once more again in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

A top quality publication and also the font employed was interesting to learn. It is really simplistic but excitement within the fifty percent from the book. Its been designed in an remarkably basic way in fact it is only following i finished reading this pdf where in fact changed me, modify the way i believe.
