

The Pink Suit (Paperback)

Filesize: 6.48 MB

Reviews

This publication is indeed gripping and intriguing. It is actually writter in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be he best pdf for at any time.

Little, Brown Book Group, United Kingdom, 2015. Paperback. Book Condition: New. 199 x 132 mm. Language: English . Brand New Book. On 22 November 1963, Jacqueline Kennedy accompanied her husband to Dallas, Texas, wearing a pink suit that was one of his favourites. But as Jackie was greeted by ecstatic crowds that sunny morning, nobody could have dreamt just how iconic the suit would soon become. In *The Pink Suit*, Nicole Mary Kelby has written a novel imagining the life of the garment that became emblematic of the moment the American Dream turned to ashes. Kate is an Irish seamstress working in the back room at Chez Ninon, an exclusive Manhattan atelier entrusted with creating much of Jackie's wardrobe. Kate and the First Lady share roots in rural Ireland, and although their lives could not be more different, Kate honours their connection by using the muslin toiles for each piece she sews for Mrs Kennedy to fashion an identical garment - in a different fabric - for her own niece. Then comes the terrible day that pictures of Kate's handiwork, splashed with the president's blood, are beamed all over the world. *The Pink Suit* is a fascinating novel about politics, fashion, history and the people who have a hand in it - from the backrooms of a Manhattan dressmaker's to the Blue Room at the White House.
