BRIDGE FOUNDATIONS, VOL. 19 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Bridge Foundations, Vol. 19 The book is intended only as an introduction to the subject of bridge foundations, and has been written in the scant leisure of ordinary business. There is room for a careful and comprehensive work on bridge foundations. The best books known to me are American, and they leave something to be desired by British engineers. Much might be done towards standardizing the practice in design, as regards both the determination of loads and the allowable pressures on beds. There is not even a uniform nomenclature for bed materials. My practical experience of bridge foundations was gained under my former chiefs, the late Sir William Arrol, LL. D., and Mr. A. S. Biggart, M. Inst. C. E., and I am glad to make the acknowledgment. I have to thank other friends for particular information, and I would mention Mr. Adam Hunter, M. Inst. C. E.; Mr. Arthur J. Knowles, M. Inst. C. E., Cairo; Mr. W. A. Cashman, M. Inst. C. E.; Mr. Gunni Jeppesen, Chicago, and Mr. John H. Taylor, Assoc. M. Inst. C. E., Buenos Ayres. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
