Excerpt: .Just before putting the pudding into the oven, add the egg well beaten, pepper and salt to taste. Put an ounce of dripping into the pudding tin, make it hot before you pour the pudding in, bake, three-quarters of an hour. MINERAL FOODS. 51 TENTH LESSON. CO OKING--continued. DINNER TO-DAY: --MEAT AND POTATO PIB--COKNISH PASTIES--SCATTERED BICE. I Have often told you that we must eat every day foods called body-warmers and flesh-formers that will make the fat and flesh which cover our bones. Animal foods and vegetable foods contain the same things, but certain things are found in much greater quantities in one than in the other; for instance, all animal foods have water and some minerals, but green vegetables, such as potatoes, cabbages, Ac. have a great deal more water and minerals. These bottles contain the quantity of water, minerals, and other substances...

Reviews

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
