"How to Cheat in Elements 9" is the answer to anyone who has ever wanted to take their creative skills in Elements one stage further. Starting with the basics of layers, selections and transformations, readers will be creating their own movie posters, textures and caricatures in no time at all, while sections on outputting your images for web or print enable anyone to wow their friends with their creations. Covering the latest tools and features in Elements 9, this book is also fully compatible with all previous versions of Elements. QuickTime movie tutorials and images for all projects in the book are included on the accompanying CD. It is fun and creative, with more than 80 full colour, step-by-step projects, supported by QuickTime movie tutorials and image files. It offers comprehensive coverage...
