ASIATIC CHOLERA, ITS ORIGIN AND SPREAD IN ASIA, AFRICA, AND EUROPE, INTRODUCTION INTO AMERICA THROUGH CANADA REMOTE AND PROXIMATE CAUSES, SYMPTOMS AN

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 64 pages. Original publisher: Washington : U. S. G. P. O. , 2010. LC Number: KF27 . I5373 2010 OCLC Number: (OCoLC)651633008 Subject: San Antonio Missions National Historical Park (San Antonio, Tex.) -- Boundaries. Excerpt: . . . 11 H. R. 4524, a bill that will protect the most important lands along-side, and ensure that these scenic views are not interrupted by de-forestation and development. H. R. 4524 would authorize the Park Service to acquire and in-corporate into the boundaries of the Blue Ridge Parkway up to 50 thousand acres that are contiguous to current Parkway property. These properties must be identified by the superintendent of the Parkway as top priorities for viewshed protection, and may only be acquired from willing sellers. Eminent domain cannot be used to carry out any portion of this bill. In working with the National Park Service during the drafting of this legislation, it is clear that there are concerns about specific portions of this bill, all of which we believe can be properly ad-dressed with the help and the expertise of this Subcommittee. I am grateful that the Park Service has shown such willingness to work with me and the other sponsors of this bill, Representatives David Price, Rick Boucher, and Tom Perriello, to enhance por-tions of this bill pertaining to the acquisition authority and how best to utilize the great resources and abilities of qualified land conservation groups. It is an honor for me to represent this bill and have Reid Wilson, Executive Director of the Conservation Trust for North Carolina, testify on behalf of this legislation. I want to thank you again for your time and attention to the Blue Ridge Parkway Protection Act. I look forward to hearing...
