A digital entrepreneur not only needs to create a product of value to users, but also needs to learn to promote, sell, and stand behind the product. This book explores the role of digital marketing and getting one s product noticed in a competitive market. Digital marketing is the process of using search engines, social media, and mobile devices as part of a strategy to attract and retain customers. This book presents a variety of digital marketing techniques that can help make a name for one s app, game, blog, or website. Ideas include starting a company page on Facebook, using search engines to target customers, or microblogging on Twitter. With some creativity and know-how, teens will be on their way to marketing their digital products successfully.
