

The Stigmata: Destiny as a Question of Knowledge

Filesize: 6.59 MB

Reviews

This kind of publication is every little thing and taught me to looking ahead of time and a lot more. It is packed with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Ida Herman)

THE STIGMATA: DESTINY AS A QUESTION OF KNOWLEDGE

Temple Lodge Publishing. Paperback. Book Condition: new. BRAND NEW, The Stigmata: Destiny as a Question of Knowledge, Peter Tradowsky, Matthew Barton, Stigmata - the spontaneous appearance of bodily marks in locations corresponding to the crucifixion wounds of Jesus Christ - have long been a controversial phenomenon. Former well-known stigmatics, such as Saint Francis of Assisi, Anne Catherine Emmerich and Therese Neumann, have mostly been associated with the Catholic Church. Judith von Halle however, who received the stigmata at Passiontide in 2004, is a member of the Anthroposophical Society, and has to date published a dozen notable volumes of spiritual-scientific research. In this small book, based on decades spent studying anthroposophy, Peter Tradowsky attempts a comprehensive, if aphoristic account of the stigmata. He focuses in particular on Judith von Halle, responding to Sergei O. Prokofieff's recent publication *The Mystery of the Resurrection*, in which the latter approaches stigmatization from a particular perspective. 'Thus, from time to time, such events occur that strike one as miraculous, and which can only be understood through a knowledge of the world of spirit. Because they seem so hard to explain, they preoccupy everyone and remind people again of the reality of the spirit.' - Ita Wegman, referring to stigmatization.
