Agricultural Geology (Classic Reprint) (Paperback)

By R H Rastall

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Agricultural Geology Of late years a large and increasing amount of attention has been paid to the practical applications of geological science. The present book has been written with the object of supplying a concise account of those parts of geology which are of direct interest to the agriculturist. The study of the soil naturally forms the most important part of the book, and this has been treated as much as possible from a purely geological standpoint: the chemical and physical properties of soils are dealt with exhaustively in many books. It is to be regretted that considerations of space did not allow of a fuller discussion of the modern mechanical methods of soil-analysis that have proved so valuable in the hands of workers at Rothamsted, Cambridge and elsewhere. The later chapters of the book contain a summary of the distribution of the rock-formations of the British Isles, and the characters of the soils yielded by them. Much difficulty was experienced in obtaining the necessary information, which is still far from complete. The facts had...
