Dog Ear Publishing, United States, 2015. Paperback. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Cultural Lessons en Espanol Kindergarten through 8th Grade Learning Spanish can open doors for students to explore the culture found in Spanish-speaking countries around the globe. Just as vocabulary words expand their fluency in the language, lessons based on aspects of Spanish culture expand their minds. Gradually introducing culture into language helps children put words into context. Adriana M. Amaro, an experienced educator, offers simple lessons that help students discover Spanish culture and language. Activities are designed to mirror the school year, featuring a few holidays and observances each month from back to school to Day of the Dead, New Year s Eve, Earth Day and Cinco de Mayo. Holidays that don t happen the same month every year, such as Easter, Hanukkah, or Ramadan also are included, as well as significant places such as Machu Picchu and The Alhambra. Teachers will find lessons aimed at younger students (kindergarten through fourth grade) and older students (fifth to eighth grade). Studying Spanish music, dance and food adds a playful note to lessons, inviting children to learn about what happens in other parts of the world and in neighborhoods all over the United States. Teachers will find the cultural activities practical, student-centered and easy to follow. Students will enjoy learning about Spanish-speaking cultures and making connections to other cultures through activities that engage them in the learning process. Linda Natale, Educational Consultant TEACH FOR LEARNING, LLC Adriana M. Amaro, president, CEO and owner of All About Languages!, brings more than 12 years of direct classroom experience in teaching Spanish to students. She graduated from George Washington University. Adriana has a master s degree in education from Loyola College...
