Unquestionably, this is actually the very best work by any article writer. It usually does not price a lot of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

The design, in its issue, is one highly commendable to its author - a laudable desire to obtain a livelihood independent of those kind friends who fain would render personal effort, in this respect, quite unnecessary. The beneficent can but favor such an effort, and tender the most practical approval. Unto those whom God has seen fit to afflict, is it not our duty to lend a helping hand? They are travelling earth s beaten paths, as are we; if obscured the sun, shall we not drive away the mists by kindly word or cheering smile? Of the numerous dispensations it is our lot to bear, that of blindness seems, indeed, the most severe - the helplessness and dependence it induces should appeal to every heart.
