Beacon Press, United States, 2010. Mixed media product. Book Condition: New. 145 x 132 mm. Language: English . Brand New Book. Following the success of *At Blackwater Pond*, this second CD from best-selling poet Mary Oliver contains a selection of thirty-seven previously published poems and four as yet uncollected, read by the poet in her steady, magnetic voice. Oliver recites from the full range of her poetry—from her classic nature writing, to her verses for her mischievous bichon Percy, to her ever-deepening spiritual poems. The CD comes in a handsome full-cloth package that includes a booklet with an introductory essay by the poet on the magical dynamic between speaker and listener, a table of contents, text of the title poem, and a photo of the poet. *Many Miles* will be a most welcome addition to the collections of her readers.
